

Participating Dentist List

Including Premier and PPO Providers

Effective: January 2012

We are proud to offer the largest network of dentists, including specialists in every field of dentistry. The following provider list indicates licensed dentists in Idaho that agree to participate in our dental networks - **Delta Dental Premier** and **Delta Dental PPO**. As participating dentists they agree to lower contracted fees with Delta Dental of Idaho and agree to follow our rules and regulations. This list does not imply professional superiority of the Participating Dentists over any other licensed dentist. Nor does this list indicate that the dental fees of other licensed dentists will vary from those dental fees of Participants.

This participating dentist list is updated periodically and doesn't include the name of providers who may have recently become participating dentists or who may have terminated their participation status since the printing of this directory. It should not be used as a final determination of a dentists' participating status. To determine whether a dentist is a participating provider with Delta Dental of Idaho, you may ask the dentist directly or contact Delta Dental of Idaho. You may also visit our website, www.deltadentalid.com, for the most up-to-date listing of participating dentists.
