

Dental Office Deals is an exclusive benefit for Delta Dental of Idaho network dentists. We are excited to offer our participating dentists the opportunity to save on everyday expenses, including:

Dental Instruments

Healthy discounts on Komet rotary instruments. Discounts from retail on carbides range from 45 to 56 percent; diamonds from 38 to 62 percent; and endo files are reduced 47 percent.

Dental Supplies

Top supplies at reduced prices through Group Practice Solutions (GPS) and SmartPractice.

Defibrillator

Savings on the most popular models through AED Professionals.

Cellular Service

Obtain significant discounts of 22-27 percent on monthly cellular phone costs with AT&T and Sprint. Discounts are available to direct dental practitioners and their employees, even if you are using their service now.

Office Supplies

Reduce office supply expenses by 40 percent with OfficeMax and Staples. Access to hundreds of products and online ordering.

Payroll Services

Receive a 20 percent discount on payroll services with ADP (Automated Data Processing).

Shipping

Save up to 52 percent on overnight shipments and 35 percent on ground shipments through FedEx. Save up to 19 percent on overnight shipments and 26 percent on ground shipments through UPS.

Water Delivery

Nestle Waters offers commercial water service to dental practices at up to a 60 percent discount. This includes distilled water for operatory use. DS Waters will deliver five gallon bottled water – purified, distilled, and spring – are all priced at \$3.99 each.

Continuing Education

Procter & Gamble offers online CE courses at no cost to Dental Office Deals dentists and staff.
