

# Value-Added Orthodontic Discount Program

Delta Dental of Idaho members no longer have to 'brace' for the cost of orthodontic care. Delta Dental's value-added Orthodontic Discount Program provides Idaho members and their eligible dependents a discounted fee for adult and child orthodontia if they obtain care from a Delta Dental of Idaho Discount Program orthodontist.

| Number of Treatment Months | Fee Schedule Based on Length of Treatment |
|----------------------------|---|
| 12 to 17 months            | \$3,800                                   |
| 18 to 24 months            | \$4,200                                   |
| 25+ months                 | \$4,600                                   |

## Who is Eligible?

All members and their eligible dependents enrolled in a Delta Dental of Idaho dental plan that does not include an orthodontic benefit are eligible for Delta Dental's value-added Orthodontic Discount Program.

## How Does the Discount Program Work?

Delta Dental members will experience substantial savings because Idaho orthodontists in the Orthodontic Discount Program agree to discounted fees. Members simply call and schedule a visit with a Delta Dental of Idaho Discount Program orthodontist and present their Delta Dental of Idaho ID card at the time of their appointment. The discount amount is based on the length of treatment. Members will know their total out-of-pocket costs prior to the beginning of treatment, so there will be no surprises! See the fee schedule above for details.

## Is There a Cost for this Orthodontic Program?

No. Delta Dental of Idaho's Orthodontic Discount Program is a value-added service and is not insurance.

Please see the back of this flyer for a list of orthodontists in the Discount Program.
