MORE DEALS ON BACK!

**Health *through* Oral Wellness®**

HOW® is a unique, patient-centered program that adds additional benefits to a patient's dental plan, based on their individual oral health needs. By performing a simple risk assessment, patients may have access to additional preventive and health-sustaining benefits.

**PreViser®**

The first evidence-based, on-line risk-prediction system for periodontitis, caries and oral cancer. PreViser's Self-Assessment fosters patient engagement and oral health education to members. Used in conjunction with the HOW program.

**ProFax**

ProFax allows you to quickly and easily access your patient's eligibility information.

**Innovation Station**

Learn more about Delta Dental of Idaho's commitment to our dental partners. Go to YouTube and watch the Innovation Station video on the Delta Dental of Idaho channel.

You'll find more videos (check out the Tooth TruthsSM series) on YouTube, and even more useful information on the Delta Dental of Idaho blog:
