

Delta Dental of Idaho offers everything you would expect — and more — in our individual and family plan options from the state’s leader in dental benefits:

- Competitive rates with automatic monthly payments
- Quality coverage options for your entire family
- The freedom to choose any dentist from our extensive network
- Outstanding customer service

GrinWell PrimeSM

GrinWell Prime is ideal for individuals who want the best-in-class dental benefits. With no deductible and a high annual maximum of \$2,000 per benefit period, this plan has been designed with your healthiest smile in mind. Protect your entire family for about \$181* a month.

GrinWell PlusSM

GrinWell Plus offers the greatest coverage from the widest choice of providers in our network. Members may see any network dentist, and do not have to pay out of pocket for preventive care. Coverage maximums increase each year for the first three years. Protect your entire family for about \$126* a month.

Clear PlanSM

The newest kind of dental plan, designed to take the guesswork out of dental expenses. Members know before they go to the dentist what their share of the cost of any service will be. There are no deductibles, no waiting periods for benefits to begin, and no percentages to worry about.

GrinWell EssentialSM

GrinWell Essential is a great option for highly affordable dental coverage that covers preventive care and basic services, with low copays and no deductible. Members pay a percentage for services like fillings and extractions, and the plan pays the rest. A whole family can be covered for about \$79* a month.

GrinWell PreventSM

GrinWell Prevent is our most affordable dental plan — about \$62* a month to cover preventive care for your entire family. There are no out-of-pocket costs for preventive services, no copays, no deductible and no annual dollar maximums to worry about.

*Premiums stated above are for an adult couple between the ages of 35–44 with one child.

Orthodontic Discount Plan

Members receive a discounted fee for adult and child orthodontic treatment. This is a value-added service and is not insurance.

Questions about our plans? We have answers.

Who can purchase a plan?

Coverage is available to all permanent residents of Idaho. Spouses and/or dependent children are also eligible. Coverage can be purchased by singles, two-person households or families.

Can I use my own dentist?

You can receive care from any licensed dentist. To receive any benefits from your plan, you must choose from any Delta Dental PPOSM or Delta Dental Premier[®] participating dentist. Find yours by visiting deltadentalid.me.

Can I get dental coverage if I am part of a Medicare plan?

Yes. Delta Dental plans are a smart choice to fill dental coverage gaps in Medicare plans. Medicare Parts A and B exclude routine dental care and Medicare Advantage plans vary greatly in the amount of dental coverage they provide. Medicare annual enrollment periods don't apply to dental coverage from Delta Dental, so you can enroll with us any time.

What happens when I travel?

Delta Dental coverage goes wherever you go, in or out of the state, to secondary residences or with college students as they travel across the country. You'll have peace of mind knowing your dental needs are taken care of!

What services are not covered?

For a complete listing of benefits, terms, limitations and exclusions of all of our individual plans, please go to deltadentalid.me or call 1-855-713-3582.

How soon can I have coverage?

Your policy could be in effect on the first day of the month following approval of your application, if you apply before the 15th of the prior month.

Is it easy to enroll?

Yes! The fastest way to enroll is to visit our website at deltadentalid.me or call us toll-free at 1-855-713-3582, Monday – Thursday, 8 a.m. – 5 p.m., or 8 a.m. – 4 p.m. Friday, Mountain Time.
