At-A-Glance Comparison of Plan Benefits and what you pay

Questions about our plans?

We have answers.

Who can purchase a plan?

Coverage is available to all permanent residents of Idaho. Spouses and/or dependent children are also eligible. Coverage can be purchased by singles, two-person households, or families.

Can I use my own dentist?

You can receive care from any licensed dentist. However, to receive the benefits of your plan, you must choose a Delta Dental PPO™ or Delta Dental Premier® participating dentist. Find yours by visiting deltadentalid.me.

Can I get dental coverage if I am part of a Medicare plan?

Yes. Delta Dental plans are a smart choice to fill dental coverage gaps in Medicare plans. Medicare Parts A and B exclude routine dental care and Medicare Advantage plans vary greatly in the amount of dental coverage they provide. Medicare annual enrollment periods don't apply to dental coverage from Delta Dental, so you can enroll with us any time.

What happens when I travel?

Delta Dental coverage goes wherever you go, in or out of Idaho, or with college students as they travel across the country. You'll have peace of mind knowing your dental needs are taken care of!

What services are not covered?

For a complete list of benefits, terms, limitations, and exclusions of all our individual plans, please go to deltadentalid.me or call 1-855-713-3582.

How soon can I have coverage?

Your policy can take effect the first day of the month following approval of your application if you apply before the 15th of the current month.

Is it easy to enroll?

Yes! The fastest way to enroll is to visit our website at deltadentalid.me or call us toll-free at 1-855-713-3582, Monday – Thursday, 8 a.m. – 5 p.m., or 8 a.m. – 4 p.m. Friday, Mountain Time.
