

HEALTH *through* ORAL WELLNESS®

Welcome to the Health *through* Oral Wellness® (HOW®) Program!

A healthy mouth is a vital part of your overall health, and Delta Dental of Idaho cares about yours. That's why we're introducing Health *through* Oral Wellness® (or, HOW® for short). HOW is a unique, patient-centered program that adds additional benefits to your dental plan, based on your individual oral health needs. By having your dentist perform a simple risk assessment, you may have access to additional preventive and health-sustaining benefits.

HOW TO GET STARTED:

First, simply request a free oral health risk assessment at the beginning of your dental visit.

Second, if you qualify based on your results, Delta Dental of Idaho will release, or 'unlock' specific additional benefits without an increase in premium.

If you have questions or would like to contact us for more information about the new Health through Oral Wellness program, please contact us by phone at (208) 489-3580 or toll-free at (800) 356-7586 or by email at customerservice@deltadentalid.com.

HEALTH *through*
ORAL WELLNESS[®]

Dear Dentist,

At Delta Dental of Idaho, we understand that some patients need more dental care than others. That's why we offer our Health *through* Oral Wellness[®] (HOW[®]) program.

Many Delta Dental of Idaho patients who are at risk for certain conditions may be eligible for additional preventive benefits at no additional cost to them.* To assess their risk level, they need your help! They need you to complete an oral health risk assessment using a clinical risk evaluation tool powered by PreViser[®]. This tool is provided to you by Delta Dental of Idaho at no charge. **The risk assessment is quick and easy and may provide your patients with additional preventive benefits such as extra cleanings, extra periodontal maintenance, fluoride, sealants and more.** You can perform this risk assessment on your patients immediately.

HOW TO GET STARTED:

First, simply create your PreViser account at go.deltadentalid.com/PreViser and follow the registration steps.

Second, begin your PreViser oral health risk assessment for your patient. If your patient is high-risk for a certain condition, Delta Dental of Idaho will “unlock” additional preventive benefits immediately.

To learn more about the HOW program, contact our Professional Relations team at **208-489-3563**.

*Additional preventive benefits are subject to the provisions of your patient's Delta Dental of Idaho policy.
