QUESTIONS ABOUT OUR PLANS?

We have answers.

Who can purchase a plan?

Coverage is available to all permanent residents of Idaho. Spouses and/or dependent children are also eligible. Coverage can be purchased by individuals, two-person households, or families.

Can I use my own dentist?

You can receive care from any licensed dentist. However, to receive the benefits of your plan, you must choose a Delta Dental PPO™ or Delta Dental Premier® participating dentist. Most dentists in Idaho are members of one or both of our networks. Find yours by visiting deltadentalid.me.

Can I get dental coverage if I am part of a Medicare plan?

Yes. Delta Dental plans are a smart choice to fill dental coverage gaps in Medicare plans. Medicare Parts A and B exclude routine dental care and Medicare Advantage plans vary greatly in the amount of dental coverage they provide.

What happens when I travel?

Delta Dental coverage goes wherever you go, in or out of Idaho, when you see an in-network dentist. Even college students are covered as they travel across the country. You'll have peace of mind knowing your dental needs are covered!

What services are not covered?

For a complete list of benefits, terms, limitations, and exclusions of all our individual plans, please go to deltadentalid.me or call 1-855-713-3582.

How soon can I have coverage?

Your policy can take effect the first day of the month following approval of your application if you apply before the 15th of the current month.

Is it easy to enroll?

Yes! The fastest way to enroll is to visit our website at deltadentalid.me or call us toll-free at 1-855-713-3582, Monday – Thursday, 8 a.m. – 5 p.m., or 8 a.m. – 4 p.m. Friday, Mountain Time.
