Health *through* Oral Wellness® program (HOW®)

When it comes to dental care, one size does not fit all. That's why Delta Dental of Idaho launched the Health *through* Oral Wellness program (or, HOW for short). HOW is a unique, patient centered program that adds additional benefits to your dental plan, based on your individual oral health needs. By having your dentist perform a simple risk assessment, you may have access to additional preventive and health-sustaining benefits. Learn more at go.deltadentalid.com/how
